

Mom to Mom is a **safe place** for moms to share the joys and frustrations of motherhood and to explore the purposes and promises God gives us as parents. It provides an **oasis** in the frenzied weeks of busy moms—a place where you are:

- Better equipped for parenting through biblically-based instruction.
- Encouraged by sharing with other moms who are confronting similar challenges.
- Energized by the loving support of both experienced mothers and your peers.

Who We Are

We are women of diverse backgrounds from different churches and communities all over the Lake Country area who have children of all ages. At various stages of parenting, we share a common desire to grow in our wholeness as women and as mothers.
