

## Mom to Mom

...is a Biblically based parenting program designed around the Titus 2:4 concept of older women teaching and encouraging younger women in their relationships with their husbands and children. It includes quality instruction in parenting, small group discussion, and the interaction of more experienced mothers with younger moms. Our mission is to educate, encourage, and equip women for the most important job in all the world — parenting. Do you know young moms who are seeking the wisdom and influence of a "Titus 2" woman in their lives?

### Please Join Us...

We are women of diverse backgrounds from different churches and communities all over the Lake Country area who have children of all ages. At various stages of parenting, we share a common desire to grow in our wholeness as women and as mothers — intellectually, relationally, and spiritually.

### A Typical Mom To Mom Morning

Opening with a large group session, we enjoy the DVD-based teachings of Linda Anderson, founder of the Mom To Mom Ministries. This is followed by a coffee/snack time in our small groups, each led by one or two experienced mothers, to discuss the topic of the morning and apply it to our own families. Here's a safe place to share the joys and frustrations of motherhood and to explore the promises God gives to us as parents.
